

52 Ways to Care for Creation

Week 1: January 1-3

Make a "Green" New Year's Resolution.

Happy New Year! Start the year by choosing a "green" resolution that is meaningful to you. You could resolve to volunteer with a local environmental organization, to take political action in your community, or encourage your congregation to make eco-conscious choices. How can you care for creation in 2026?

Week 2: January 4-10

Take Action!

Write a letter to your members of congress or local elected officials! Ask them to support an environmental issue that you care about. Look for letter-writing templates, sign-ons, and more at creationjustice.org/action

Week 3: January 11-17:

Sing Creation Hymns

Find/choose some creation-themed hymns to sing at church. Or, sing them by yourself or with loved ones! Some ideas are "All Things Bright and Beautiful" and "This is my Father's World"

Week 4: January 18-24:

Celebrate MLK Day:

Find and attend a local/online event celebrating Dr. King's birthday on January 19! King once wrote, "we aren't going to have peace on Earth until we recognize the basic fact of the interrelated structure of all reality." Consider the relationship between racial justice and creation justice.

Week 5: Jan 25-31:

Rest and Reflect

"Outdoors we are confronted everywhere with wonders; we see that the miraculous is not extraordinary, but the common mode of existence. It is our daily bread." - Wendell Berry
